

Winkie GW-15 Drill Package [Inventory ID #55286]

- Drill package is in excellent condition.
- 7 ft. feed instead of normal 5 ft. (easily handles 5 ft. rods).
- Large pull-down wheel and older style muffler system for quieter operation.
- Drill mounted on an 11 ft. aluminum "I" beam frame.
 - Large working deck.
 - Single axle type ATV wheels for easy towing with retractable trailer hitch.
 - Retractable/adjustable height corners for leveling allowing virtually no site preparation or disturbance.
 - Water tank on each end - no anchors needed.
- Wanner pressure pump in excellent condition.
 - Mounted on an ATV trailer for ease of transport.
 - Pumps 8-10 GPM at up to 650 PSI.
 - All hook ups and hoses included.
- Hydraulic power pack on ATV trailer.
- Drill is fitted with hydraulic ram and ball type pullers and lowering iron.
- Hydraulic system also powers the mud mixer.
- Aluminum AX-AW drill rods.
 - Total 225 ft. with 5 ft. and various shorts.
- Core barrels.
 - 1 - 5 ft.
 - 1 - 10 ft. AW-34 thin wall.
 - Both are virtually new.
- 8 - new AW34 core bits, and 2 AW 34 ream shells.
