

## 2000 GPM Fire Pump House [Inventory ID #1400456]

### 2000 GPM Fire Pump House

- Manufacture: Viking Fire
- Year: 2011
- Condition: Used, Reported in Good Condition
- Pump: Goulds Vertical Turbine Pump
- Size: 10x14RHHC
- Flow Rate: 2,000 GPM
- RPM: 1770
- # of Stages: 4
- Head: 125 PSI
- Flanges: 125#
- Approx. 25ft Column
- Min Submergence: 50in

- Comes With:
  - Pump
  - Pump House
  - New Wet Pipe Sprinkler System For Pump Room with Control Valve & Flow Switch
  - Test Header
  - Jockey Pump Series GS
    - Model 150H20-8
    - 100 USGPM @180PSI
  - Hose Rack with 50ft Hose
  - Wall Hydrant Connection For Fire Department

- Seismic Installation
  - Drawings with Hydraulic Calculations
  - Electric Motor
  - Motor Control
  - Tornatech 200HP Auto Transformer
  - Auto Transfer Switch - Model: GPR/GPU 575/3/60
- 
- Drive: U.S. Motors Electric Motor
    - Power Output: 200HP
    - Speed: 1780 RPM
    - Voltage: 575 Volts
    - Current: 181 Amps
    - Frequency: 60Hz
- 
- Location: Eastern Canada
