

2019 Epiroc DM45HP High Pressure Rotary Drill [Inventory ID #1418388]

2019 Epiroc DM45HP High Pressure Rotary Drill

- Make: Epiroc
- Model: DM45 HP
- Type: Down-The-Hole (DTH) or Multi Pass Rotary Drilling - Has Angle Dust Hood and an Additional Gauge and Toggle Switch that Allows it to Run High Pressure or Rotary
- Year: 2019
- Hours: 1,515 Hours
- Condition: Used, Reported in "Near New" Condition

- Rated Capacity:
 - Hole Diameter: 5.5in - 8.875in (140mm - 225mm)
 - Single Pass Depth: 27.5ft (8.4m)
 - Maximum Hole Depth: 175ft (53.3m)
- Tower: 30ft Tower
- Rotary Head: 4SV-2-10 2-Speed Rotary Head with Spline Lubrication
 - Torque: 7,200 ft-lbs.
- Drill Rod: 5in OD x 3.5in API x 5 Rod Cups
- Standard Spindle Sub
- Engine: Cummins QSX15 Tier 4 Final Diesel Engine (600HP)
 - Diesel Engine Preheater for Heating Engine Coolant
- Compressor: Ingersoll Rand
 - Air Flow Rate: 1070 CFM
 - Pressure: 350 PSI
 - Electronic Air Regulation System (EARS)
- Dust Collector: Epiroc 3600 Dust Collector
- Undercarriage: CAT 325L Undercarriage
- Angle Drill Package: 0-30°

- Auto Lube System with Hydraulic Pump and Timer
- Bit Injection Lube: 60 Gallon
- Water Injection: 300 Gallon/ 0-8 GPM
- Main Winch: 4,000 Lbs.
- Cooling Package
- Wiggins Central Service with Fittings
- RCS Lite/Connected
- Fuel Capacity: 380 Gallon
- Cab Air Conditioning

- Location: Eastern USA
