

Atlas Copco Christensen CS14 Diamond Core Drill

[Inventory ID #222013]

- Make: Atlas Copco Christensen
- Model: CS14
- Year: 2012
- Hours: 3530
- Engine: Cummins QSB6, 7 Tier III
- This drill is mounted on its original trailer and is supplied with a bean pump.
- Excellent used condition.

- **Package Includes:**

- Bean 435 Pressure Pump
- Original Trailer with Wheels.

- **CS-14 Overview:**

- The CS-14 is a powerful, trailer or trailer on skid mounted surface rig capable of accessing the most remote drilling sites. This drill has proven its reliability in the most extreme climates. The rig is capable of angle drilling up to 45 degree off vertical and is fitted with a dump mast. This compact rig has been specifically designed for tight access and environmentally sensitive exploration drilling.

- **General Specs:**
