

## Cummins 6 inch Diesel Driven Pump [Inventory ID #557968]

- Make: Fairbanks Morse - Colt Industries Pump Division
- Figure: 5824
- Type: Split Case Pump
- Style: Diesel Driven Stationary Pump
- Condition: Used Condition
- Hours: 1,331 Hours
- Suction: 8in Dia.
- Discharge: 6in Dia.
- Impeller: 16in Dia.
- Stage: 1-Stage
- Flow Rate: 1500 GPM
- Total Head: 231ft
- Solid Handling: 7/8in (0.875in)
- Skid Mounted
  - With Tool Box and Lifting Frame
  
- Drive: Cummins Diesel Engine
  - Model: NH-220-IF
  - Power Output: 191HP @ 2100 RPM
  - Cylinders: 6
  - Bore and Stroke: 5 1/8 in. x 6 in.
  - Piston Displacement: 743 in<sup>3</sup>
  
- Location: Savona, British Columbia, Canada
