

Gemini GT250 Concentrating Table

[Inventory ID #141620]

- Gemini Concentrating Table.
 - Model: GT250.
 - Nominal feed rate: 250 lbs/hr (114 kg/hr).
 - Maximum feed rate: 300 lbs/hr (136 kg/hr).
 - Recommended feed size: Minus 20 mesh <833 microns.
 - Maximum feed size: Minus 14 mesh <1,168 microns.
 - Maximum water usage: 6 US gallons/min. (1.4 m³/hr).
 - Equipped with:
 - 1 hp motor.
 - Features:
 - 96% heavy mineral recovery with a 90:1 weight reduction.
 - Wear resistant operating surface utilizing a hard wearing GRP.
 - Laminated beam super structure for added strength and stability.
 - Unitized steel frame manufactured from heavy duty 11 gauge tubular steel.
 - Minimal floor space requirements.
 - Less energy consumption than comparable equipment
 - Faster than competing tables.

- Shipping information:
 - Dimensions (L x W x H):
 - 87 in. x 56 in. x 50 in.
 - 2.21 m x 1.42 m x 1.27 m.
 - Weight:
 - 680 lbs / 308 kg.
