

## Hydro Thermal H320 EZ Heater

[Inventory ID #1426914]

Hydro Thermal H320 EZ Heater

[View Spec Sheet Below](#)

- Make: Hydro Thermal
  - Model: H320 EZ Heater
  - Year: 2022
  - Type: Skidded System for Water Heating using Direct Steam Injection
  - Condition: Used Condition
  - Construction: Stainless Steel Internals and Process Piping, Carbon Steel Steam Piping
  - Fluid: Water
  - Flow Rate: 77 GPM
  - Steam: 130 PSIG SAT
  - Inlet Temperature: 131-248° F
  - Discharge Temperature: 232-299° F
  - Steam Consumption: 4,181 pph Max
  - Skid Frame: 304L Stainless Steel Square Tube
- 
- Location: Eastern Canada
