

Lab Mill 8000 Jar Mill [Inventory ID #1614618]

Lab Mill 8000 Jar Mill

- Make: Lab Mill
 - Model: LC-88
 - Type: Lab Jar Mill
 - Style: Benchtop
 - Condition: Used Condition
-
- Description: Lab Mill 8000 provides smooth and quiet operation, adjusting easily for four sizes of milling jars from 0.5–10L (17–338oz). The mill can handle sample volumes from 75mL to 4L and can be handled with unattended ease. Each milling jar is held in a supporting metal sleeve for rigidity. Sleeves for 0.5 and 1L jars are stainless steel. Sleeves for larger jars are anodized aluminum. The unit also holds other grinding jars from 3–7in (75–178mm) diameter and up to 11in (279mm) wide. Disposable Grinding Jars and Metal Sleeves are available separately. A speed control switch gives 10–260rpm roller speed from the direct-drive 60 Watt DC motor.
