

## MAC 6300 Series 4 Way Solenoid Valve

[Inventory ID #108301]

Manufacturer: MAC Valves

- MAC 6300 Series 4 Way Solenoid Valve.
  - Model: 6311-312-PM-112DA.
    - 120V/60Hz - 110V/50Hz.
    - 4/2 single operator.
    - ½ in. inlet and discharge ports.
- Manufactured by **MAC Valves**.
  - Operation benefits:
    - Balanced spool, immune to pressure variations.
    - High shifting forces.
    - Checked accumulator guarantees maximum pilot pressure.
    - Powerful return force due to combination of mechanical and air springs.
    - Wiping effect eliminates sticking.
