[Inventory ID #1522537]

Noblegen Oxygen Generation Plant

- Manufacturer: Noblegen
- Model: MO20
- Type: Oxygen Generation Plant
- Style: PSA Plant (Pressure Swing Adsorption)
- Year: 2022
- Condition: Unused Surplus
- Capacity: 174m³/hr.
- Includes the Following Equipment:
 - (2) Noblegen MO20 Oxygen Generators
 - with a Capacity of 87m³/Hour Per Generator at 95% Purity. Purity can be Varied Between 90% and 95%; Lower Purity Will Allow a Higher Production Rate
 - (1) Kaeser HPC DSD205 Rotary Screw Compressors, 110kW
 - (2) 3,000 liter Vertical Air Receivers
 - (2) 3,000 Liter Vertical Oxygen Receivers
 - Oil-Water Separator
 - Ecodrain Timed Drain Valves
 - (2) Carbon Tower Filters
- Requires (1) Rotary Screw Compressor and (1) Air Dryer to Complete Plant – These (2) Items were Sold Separately from Plant
- Location: United Kingdom
