

## Oro Spiral Concentrator Bank

**[Inventory ID #1355389]**

### Oro Spiral Concentrator Bank

- Make: Oro Industries
- Models:
  - 24in Reverse Multi-Helix Spiral Rougher
  - 16in Reverse Multi-Helix Spiral Cleaner
  - 16in Reverse Multi-Helix Spiral Finisher
- Style: Concentrators
- Condition: Brand New
  
- General Model Specifications:
  - 24in Reverse Multi-Helix Spiral Rougher
    - Production Rate: 12–15 TPH
    - Water Consumption: 40–50 GPM @ 20–40 PSI
    - Power Requirements: 3HP, Single or 3-Phase, 220/440 Volt, 50 or 60Hz
    - Powder Coat Finish
    - Dimensions:
      - Length: 153in
      - Width: 34.5in
      - Height: 77in
  
  - 16in Reverse Multi-Helix Spiral Cleaner
    - Production Rate: 1–2 TPH
    - Water Consumption: 15–20 GPM @ 20–40 PSI
    - Power Requirements: 0.5HP @ 120 Volt, 50 or 60Hz
    - Powder Coat Finish
    - Dimensions:
      - Length: 84in
      - Width: 36in
      - Height: 60in

- 16in Reverse Multi-Helix Spiral Concentrator
  - Can be Used in Conjunction with our standard Secondary Cleaner to Shorten Clean-Up Time when Concentrating Large Volumes or in Certain Custom Applications.
  - Its Highest Production Performance is with Fine Concentrates of Materials Less than 1/8in (0.125in)
  - Up to 90% of All Concentration and Clean-Up Needs can be Achieved with the standard 16in Secondary Cleaner.

- Also Available! - [MSI 255 Xtruder Concentrating Table](#)

- Location: Northern Canada
