

Sandvik DD210 Single Boom Development Drill **[Inventory ID #333061]**

The Sandvik DD210 single-boom jumbo development drill has been engineered for use in tunneling and mining development in cross sections up to 24 m². With a robust universal boom that offers optimum shaped coverage, 360-degree rotation, and automatic parallelism, you can expect fast, easy feed positioning and accurate face drilling.

- Advantages:
 - Compact layout offers good visibility and stability
 - Heavy-duty, articular carrier ensures stable and safe maneuvering
 - Powerful hydraulic rock drill and smooth controls offer high drilling performance
 - Operating environment and automatic functions allow for safe, fast and accurate drilling
- Year: 2015
- Model: DD210D
- Never put into Operation Approx. 30 Hours on Clock
- Condition: Excellent
- 1 x Quasar Undercarrier with Hydrostatic Transmission
- 1 x All Diesel Hydraulic Powerpack for Drilling and Tramming
- 1 x Deutz D914L06 Engine (75 kW Tier3) and Catalyzer
- 1 x FOPS (ISO3449) Operator's Safety Canopy
- 2 x Hydraulic Telescopic Jacks (Front)
- 2 x Hydraulic Jacks (Rear)
- 1 x HL510 Hydraulic Rock Drill
- 1 x NVTF 6/10 Telescopic Feed
- 1 x B14NV Boom
- 1 x IBCQF Control System
- 1 x Fast Rock Drill Return/Forward Movement
- 1 x OC25 Harsh Water Oil Cooler
- 1 x KVL 10-1 Shank Lubrication Device
- 1 x Tuflo 1000 Air Compressor

-
- 1 x 60-Liter Air Receiver and Auto Flushing on Rock Drill Return
 - 1 x WBP1 Water Booster Pump
 - 1 x QM14 Main Switch
 - 2 x 70 W Halogen Lights (Working and Tramming)
 - 3 x 70 W Halogen Lights (Tramming)
 - 1 x Amber LED Strobe Light (24 V)
 - 1 x Tramming Alarm (Reverse Alarm)
 - 1 x Hand Filling Pump for Hydraulic Oil Filling
 - 1 x Low Hydraulic Oil Level Indicator and Switch
 - 1 x Hand Pump for Manual Brake Release
 - 1 x Set of Tools for Hydraulic Adjustments (Spec 2-9100-A)
 - 1 x Rock Drill Accumulator Filling Device (Spec 2-9110-A)
 - 1 x Complete Spare Wheel
 - 1 x TRR1 - Rod Retaining System for One Feed with Controls
 - Manual Fire Suppression System (6 Nozzles Includes 1 x 5KG Hand Extinguisher)
 - Sandvik Standard Color Scheme
 - Location: Western Canada
