

Sennebogen 670 R/R-HD Hydraulic Crane [Inventory ID #176534]

- Year: 1999.
- Hours: 19,400 (approx.)
- Rated load: 80 t metric (at 3.4 m).
- Boom point height up to 58 m.
- Caterpillar engine.
 - Model: 3176B.
 - Output from 180 kW to 330 kW.
- 4 circuit hydraulic with energy saving flow on demand and pressure cut off systems.
- Additional hydraulics for powering attachments.
- 24 t counter weight.
- (2) crane freefall winches.
 - Line pull: 160 kN.
- Line pull: 130 kN (13 t) to 200 kN (20 t).
- Precise control and high rope speeds.
- (1) 40 t single hook block.
- Excellent drivers comfort and easy operation.
- Robust and very service friendly design.
