

TIME Advanced Stoper Longhole Drill [Inventory ID #1398203]

TIME Advanced Stoper Longhole Drill

- Make: TIME
- Model: Advanced Stoper
- Year: 2023
- Type: Longhole Drill
- Condition: New, No Hours
- Drill: S36 IR Drifter Drill
 - Aluminum Feed
 - Heavy-Duty Centralizer (Used)
 - Nominal Diameter: 35 - 89 mm (1.38in-3.5in)
 - Nominal Length: Up To 46m (Up To 150ft)
 - Reamed Diameter: Up To 127mm (Up To 5in)
 - Blows/Minute: 1630 @ 500 kPa (1630 @ 72.52 PSI)
 - Air Consumption: 14m³/min @ 500 kPa (494.41 CFM @ 72.52 PSI)
- Traverse: 5ft Traverse
 - Side to Side Hole Positioning of 66in (168cm)
- (3) Helac Actuators for Increased Stability and Less Wear Parts
 - 135° Dump, 360° Radial and an Optional 180° Pivot Positioning
- Carrier:
 - 30HP Radial Piston Air Motor (@1200 RPM)
 - 116 PSI & 890 CFM Air Delivery
 - Tandem Gear Hydraulic Pump
 - 1.91in³ Per Rev. @3000 PSI
 - High Quality Proportional Directional Control Valves
 - High Quality Motion Control and Cross-Port Check Valves
 - Two Lever Pilot (Low) Pressure Tethered Remote Trammig Valve

- Skid Steering with Independent Port and Starboard Wheel Drives
- Planetary 4-Wheel Hydraulic Drive with Fail-Safe Brakes
- 4 Independent Heavy-Duty Jacks with Load Lock (Cross Port Check) Valves for Leveling
- Tow-Bar and Dis-Engaging Wheel Drives for Towing
- Rotation Barrier – Double Hinged (Opens from the Left or Right Side)

- Location: Eastern Canada
